Dear Neighbor,

We are pleased to return to Zilker Park for the 12th annual Austin City Limits Music Festival. Zilker Park, the crown jewel of Austin's metropolitan green spaces, provides the perfect showcase to display the beauty and welcoming sentiment of Austinites. We continue to appreciate your support, cooperation and understanding during our festival weekend. As a courtesy and expression of continuing cooperation, it is important to us to share with our neighbors some of the details for this year's festival. Please take a look at the attached information outlining some of our plans for this year's festival.

We have worked very closely with the City of Austin, the Austin Parks and Recreation Department and the City's First Responders to ensure that we have a plan in place which maximizes convenience to all of our neighbors and minimizes overall impact to the street grid and circulation patterns for area residents and businesses. We have coordinated breakdown of the venue to return your sidewalks, streets and parkways back to you as soon as possible.

Rest assured, security, police, and other safety personnel are in place to ensure the entire neighborhood enjoys this celebration in a peaceful and safe manner.

We are proud to call Austin our home and value our relationship with all you. If you would like to learn more about the event, please access our website at www.aclfestival.com. You can also find answers to some of our frequently asked questions at www.aclfestival.com/festival/#faq-festival. If we can be of any assistance to you, answer any questions or provide information not available on our website, please do not hesitate to contact us at: info@aclfestival.com

Kind Regards,
